

IB & Income Offering

Partner Program

Build recurring income by introducing clients to a broker built for partners rebates, FTD benefits, and a monthly income scheme up to \$5,000.

Introducing Broker Partner Deck

A partnership that pays in three ways

Most IB programs pay one way. Newera stacks per-lot rebates, FTD qualification benefits, and a maintained-balance monthly income — so genuine activity is rewarded on multiple fronts.

\$5,000

Monthly income potential at top
balance slab

Up to 15

Rebate per lot on Gold & Silver
(Pro)

4 markets

High-growth focus: India, MENA,
Indonesia, Vietnam

3 streams

Rebates + FTD benefits + monthly
income

Three ways you earn

1 • Per-Lot Rebates

Earn a fixed rebate on every standard lot your referred clients trade — across Gold, FX majors, and Silver, scaling by account type (Raw, Standard, Pro).

2 • FTD Benefits

Unlock first-time-deposit benefits when your book hits the qualifying deposit and volume thresholds within a monthly cycle.

3 • Monthly Income

Earn a fixed monthly payout based on the net deposit balance you maintain — from \$500 up to \$5,000 per month.

Rebate structure by instrument

Rebate paid per standard lot. Spread shown in points; commission per lot where applicable.

XAUUSD — Gold			
Type	Spread	Comm	Rebate
Raw	7–8	10	3
Standard	20	0	5
Pro	30	0	15

FX Majors			
Type	Spread	Comm	Rebate
Raw	2–4	7	2
Standard	12–15	0	4
Pro	18–22	0	8

XAGUSD — Silver			
Type	Spread	Comm	Rebate
Raw	15–20	10	3
Standard	35–45	0	8
Pro	50–70	0	15

Pro accounts pay the strongest rebates —

up to 15 per lot on Gold and Silver — making higher-tier clients the most valuable to introduce.
